Dear Mrs. Manley:

If you will be good enough to let me know what dates you have open in the week of September 4 I will see if it is possible to arrange any bookings for you that week. At this time I really don't know how long some of these teams will play but I think some of them will go through until about September 16, so if I can help you out on some dates I will be only too glad to do it. I wonder if I can trouble you about an accounting of expenses and receipts on the Trenton game last Wednesday. This proved to be pretty good and I was real happy to know that the Yankees played you a good game. It really is about time.

Very truly yours,
